Rockdale County Government Reimplements Hiring Freeze After Two Months of Practicing Vacancy Control

ROCKDALE COUNTY, Ga. – Rockdale County will re-enact its Hiring Freeze effective immediately. This hiring freeze will affect all Rockdale County Departments while still utilizing the vacancy control process for the Public Safety Divisions. The original hiring freeze, which was implemented in April, was put in place by the Board of Commissioners (BOC) as a conservative financial measure.

The freeze is to last indefinitely and comes at a time when the County is continuing to assess its operations during the Coronavirus pandemic.

For more information, please contact Toni Holmes at toni.holmes@rockdalecountyga.gov.
